PROJECTS

Abhidhamma Society Website   JUN 2025- PRESENT

- Developing a custom WordPress site for the Abhidhamma Society, focusing on site structure, intuitive design, and user experience.
- Live Site: https://abhidhammasociety.com/

Technologies Used: *WordPress, Elementor, Plugins*

Asia Youths Association Website   MAY 2025 - JUN 2025

- Developed a responsive WordPress site, customizing a theme, designing pages, and configuring plugins to meet the organization's needs.
- Live Site: https://asiayouths.org/

Technologies Used: *WordPress, Elementor, Plugins*

ACHIEVEMENTS

- Self-taught web development and secured an internship within months of a career change.
- Showed I can lead a full project by successfully launching the Asia Youths Association website during my Studio Next Steps internship.
- Used my tech skills to help the Ministry of Labour (NUG) IT team, showing I want to use technology for social good.
